Partnership

Vendors will be selected and announced after the application process is finalized. A limited number of vendors will be selected to participate in this year's festival allowing for good product variety and maximized vendor profitability. Vendor load-in will take place at 9:00am the day of the event. Generators or any other fuel/gas/burning equipment are not allowed indoors. Outdoor generators must run quiet and vent away from the festival grounds.

Each vendor will be provided with two (2) Entry Only wristbands. Vendor staff are required to be 18+ years of age and must be 21+ to participate in any samplings.

Vendor staff and affiliated parties must be present throughout the festival and must adhere to the guest service standards Montage Mountain puts in place. All members of the event, regardless of company or affiliation, agree to work toward the overall success of the event as a whole and understands that experience as a whole is more valuable than the sales at any single booth.

Partnership is very important to the team at Montage Mountain. We ask that vendors of all types help in promoting the event in shops, social media, and through word of mouth. Options are available to sell tickets to the event through consignment at no cost upfront. Vendors with the interest and ability to promote the event with us get preference in future considerations and festival placement.
